Fall 2015

## Snow...Snow...Snow...

*Important information related to snow events*

### **Mailbox Damage**

The Township does not prohibit property owners from placing mailboxes within the limits of the legal road right-of-way, as it is recognized that the post office has certain placement requirements regarding the location of mailboxes. However, since these mailboxes are not placed under permit regulations, they are technically deemed to be encroachments, which are placed and remain at the risk of the property owner. Therefore, Shrewsbury Township is not liable for damages to mailboxes, fencing, shrubbery, trees, etc., caused by snow removal or other maintenance operations where the same are located within the limits of the legal road right-of-way. (Ref: Code of the Township of Shrewsbury, Chapter 21, Part 2, §21.201).

### **Remove Vehicles from Streets**

Please remove all vehicles parked along Township roads and cul-de-sacs prior to any storm that results in a plowable snowfall. Your cooperation is always appreciated.

## Leaves

The fall season is quickly upon us, and as leaves begin to drop, please remember that composting is the preferred method of disposing of leaves. However, if you need additional trash bags for your leaves, stop by the Township office and pick up a supply of Penn Waste trash bags for \$5.00 each. The Township does NOT provide curbside leaf collection.
