DEFINITIONS

Condominium - Real Estate, portions of which are designated for separate ownership for residential purposes and the remainder of which is designated for common ownership solely by the owners of those portions. Real Estate is not a condominium unless the undivided interests in the common elements (portions of a condominium other than the residential units) are vested in the unit owners.

Construction Activities – Construction activities include erection or placement of structures, clearing, excavating, grading, or other actions which cause disturbance of vegetation, soil, or water.
