

Dear Shrewsbury Township Residents:

Please leave your Republic Services recycling cart and trash cart (if you have one) curbside after service on 6/23/2022 or 6/24/2022, until it's removed, as Republic Services will be removing their carts for several days after that service. Penn Waste will be delivering their carts, since they take over the Shrewsbury Township contract on 7/1/2022.

Thank you.
