NOTICE AND WAIVER OF RECREATION FEE

I/WE have been informed by Shrewsbury Township that I/WE have a right under law to have our recreation fees deposited in an interest bearing account and have that account clearly identify the specific recreation facilities for which the fee has been received, with interest earned on such account to become part of the funds of that account and the funds from such account to be expended only to defray the cost incurred to acquire or construct the specific recreation facilities for which the funds were collected. In addition, I/WE have been informed by Shrewsbury Township that in the event Shrewsbury Township should fail to expend such fees for the specific recreation facilities identified within three (3) years from the date such fees have been paid, I/WE have the right to have those fees together with interest refunded to ME/US.

I/WE have further been informed that Shrewsbury Township is the owner of several recreation areas located throughout the township and serving all residents of the adjoining neighborhood or region. I/WE have been informed that it is the Township's desire to improve such parks with MY/OUR recreation fees together with other recreation fees in accordance with the Joint Official Comprehensive Plan Southern York County Region and Official Map of Shrewsbury Township.

I/WE agree that our recreation fees may be deposited into the general recreation fund of Shrewsbury Township to be used for the improvement or acquisition of recreation areas in Shrewsbury Township as may be determined by the Shrewsbury Board of Supervisors and waive our right to specific identification of facilities to be improved or acquired with our fees and the right to have such fees refunded to ME/US if not spent within three (3) years from the date paid.
